## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### School Description:

At Richmond School we believe in celebrating learning through attendance, attitude, and achievement. Through cooperation between home and school, we can provide excellent learning opportunities for all students. We encourage parents to become involved by joining our Parent Teacher Organization (PTO) or School Site Council (SSC) or by visiting or volunteering in school-wide activities or in the classroom.

Richmond Elementary School was built in 1953, as part of the local school system on China Lake Naval Weapons Center. In 1974, the Annex, our special education facility, was added to the school. Richmond is a unique blend of children from military families, students who live in Ridgecrest, and students with disabilities. Our children are encouraged to accept others and work together.

We hold monthly assemblies to honor students in reading, math, and attendance. Students become "Super Stars" when they meet reading and math goals set by their teacher each month. We also cultivate patriotism by holding monthly flag raising ceremonies during which the students sing patriotic songs, student council officers address the student body and lead them in the Pledge of Allegiance and Richmond Pledge. We offer a bi-monthly art and music enrichment program for all students and display their artistic efforts at our Open House in May. Grade-level teachers host monthly Family Nights such as a mobile planetarium, exploring Chromebooks, Family Valentine night, game night, a reading activity night, or math activity night. Also, our special education and general education students mainstream (take classes together) at different times throughout the day.

Richmond School was selected as a California Distinguished School in 2004. The California Services for Technical Assistance and Training (CalSTAT) program chose our school as a leadership site for collaboration between special and general

education. Richmond was identified as a Title I Academic Achievement School in 2005 and again in 2006. In the spring of 2016, Richmond was recognized as a California Gold Ribbon School and as a Title I Achieving School. We received these honors as a result of our staff, students, and parents working together for the success of all students.

On July 4th and July 5th of 2019 very powerful earthquakes shook the Ridgecrest, CA area. Richmond Elementary school sustained extensive damage and the school was relocated to an existing district facility (348 Rowe Street) that had formerly been an elementary school but was being utilized for district programs, services, and offices, as well as the district adult school program. The facility was modernized over the course of the summer and made ready for school at the beginning of the 2019-2020 school year. This school year due to the Covid-19 Pandemic we started with all students invited to attend in person and an independent study option for those that did not want to attend on campus. The school is currently open post covid with all programs.

School Mission Statement:

Our mission is to provide a safe, orderly, and nurturing environment where students are expected to:

- Develop responsibility and proper citizenship
- Demonstrate respect for self and others
- Acquire academic skills, knowledge and self-motivation to learn
- Apply critical thinking and express their creativity

These goals will be accomplished through:

- Professional development
- Parent education/participation program
- Cooperation and support from parents and community

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The district chooses textbooks from lists that have been approved by the State Board of Education for Grades K-8. Sierra Sands Unified School District holds an annual public hearing prior to the eighth week of school to determine textbook and instructional materials sufficiency.

## School Facility Conditions and Planned Improvements

Due to the earthquake damage sustained at the original Richmond Elementary School site in July 2019, the school was relocated to the Vieweg Campus located at 348 Rowe Street. Prior to the relocation, the campus was repaired and modernized (parking lot resurface, playground resurface, T-bar ceilings replaced, walkways on campus, and technology, fire alarm system, etc.) to support the needs of the Richmond students and staff. Overall, due to the repairs and modernization efforts, the campus is adequate, clean, and safe. The district plans to address water flow issues on campus with additional repairs and modernization in the 2019-20 school year to ensure good repair status.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	39	N/A	41	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	32	N/A	25	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2022-23 Opportunities for Parental Involvement

We have an active Parent Teacher Organization (PTO) that supports our school through their commitment of time and energy. They are partners with the school, annually undertaking tremendous efforts in fund-raising to benefit the children of Richmond School. The School Site Council includes both parents and school personnel. It helps develop, carry out, and monitors the School Plan for Student Achievement (SPSA). We update the Single School Plan for Student Achievement and the School

## 2022-23 Opportunities for Parental Involvement

Safety Plan with input from these 2 parent groups and from an annual survey of all parents.

Parents and community members volunteer in our classrooms, library, and our Before School Reading Program. They also support and participate in such school-wide activities as our the Lunch Clubs, annual Ice Cream Social, Family Nights once a month, Book Fairs, Winter Holiday Program, school wide Spelling Bee, Battle of the Books, Junior Olympics competition, McTeacher Night at McDonald's restaurant, GATE parent meeting, Richmond Tiger Read-A-Thon, and our Art Show - Science Fair. Our English language learner parents participate every year on our English Language Learner Advisory Committee. We hold an annual Volunteer Luncheon near the end of each school year to honor all our parents and community members for all their involvement in our school.

The contact person for parent involvement is Brandy Keehan, and she can be reached at (760) 499-3731, in the Projects office. To find out how you can become involved and make a difference at Richmond School, please call the office at 760-499-1840 and ask to speak to the principal.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.39	5.69	2.45
Expulsions	0.00	0.13	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Staff members supervise students 15 minutes before and after school and during all recesses. Five noon duty supervisors keep the playground safe at lunch. We require all visitors to sign in at the office and wear badges. Ridgecrest Police Department officers and our school district resource officer (SRO) visit the campus and talk to students. The Ridgecrest Fire Department visits the school annually with a mobile fire prevention unit and instructs students about fire safety. We have a current site covid safety plan to ensure both staff and student health safety.

Our School Site Council reviews our Comprehensive School Safety Plan (CSSP) each year and approves it at a School Site Council Meeting. The plan was last reviewed and approved in January, 2022. Our CSSP includes a Disaster Drill Log, School Safe Plan, Emergency Response Plan, Child Abuse Reporting Procedures, and safety related Board Policies. We anticipate review and approval for the current school year in January, 2023

## Professional Development

Sierra Sands Unified School District provided a minimum average of 3 days (or eighteen hours based on 6 hours/day) of professional development in the 2020-21 school year, 3 days (or 18 hours based on 6 hours/day) in the 2021-22 school year, and 3 days (or 18 hours based on 6 hours/day) in the 2022-23 school year. The primary/major areas of focus for professional development include but are not limited to: full implementation of adopted programs, alignment to Common Core State Standards, identification and implementation of best instructional practices, technology proficiency, data analysis of student performance, and student engagement. Additionally, sites provide professional development throughout the year as outlined in the School Plan for Student Achievement. Areas of focus were selected based on department needs, CAASPP results, Interim Assessment Block (IAB) results, and Dashboard results. Professional development is delivered in a variety of ways including but not limited to conference attendance, contracted professional development/SSUSD Instructional Coaching delivered within the contractual workday, individual instructional coaching, and after-school workshops.

This table displays the number of school days dedicated to staff development and continuous improvement.
